*I*n 2017 and beyond, we are seeking feedback from citizens to help us expand and improve library hours and services. Please make plans to join us and provide your thoughts at one of our upcoming listening sessions. The meetings will be held at four libraries in the system to give all members of the community an opportunity to participate.

The Enoch Pratt Free Library is one of the oldest free public library systems in the United States. We serve the residents of Baltimore with locations throughout the city.

Our mission is "to provide equal access to information and services that empower, enrich, and enhance the quality of life for all."
