The Newcomen Society pamphlets describe the history of companies. The [Newcomen Society of the United States](#) was founded in 1923 and is an educational foundation for "the study and recognition of achievement in American business and the society it serves." The pamphlets are copies of speeches given to the Newcomen Society members. The following table lists the company histories available through these pamphlets from the 1940s to the present, which are located in the Business, Science, and Technology Department. Please ask a librarian in the Department for the pamphlets. The pamphlets are noncirculating.

Explanation of the columns:
