Examples from 2023 AIR Events:

2/25/23 - Drawing Workshop 2:00 - 4:00 pm | Children/Teen

Join artist-in-residence SHAN Wallace for a one-day participatory drawing workshop at the Enoch Pratt Free Library's Central Library. We welcome children, students, and teens to join SHAN and Sydney to create drawing patterns, figures, collages, and more! All materials will be provided.

3/18/23 - Kitchen Table Cinema Series 12:00 pm - 4:00 pm | All Ages

Join artist-in-residence SHAN Wallace for a day of cinema dedicated to celebrating and honoring Women's History Month. Together we acknowledge and celebrate the vital role of women in American history and film. By tending to women's role in film, we can imagine, explore, and pursue new words and narratives for enjoyment, but more importantly, for the reconfiguration of why we exist. The films selected assert the worlds of women directors and leading roles, into the lives of an audience, with hopes to encourage reflection, togetherness, and imagination.

5/08/23 - Photography Class 5:00 pm - 7:30 pm | Adults

Join artist-in-residence SHAN Wallace in her studio to learn and sharpen your photography skills, lighting techniques, and proper camera and posing techniques.
